MEMORANDUM FOR: Executive Officer/DDA

FROM:

[Redacted]

Director of Training and Education

SUBJECT: Evaluations for the Senior Officer Development Course

25X1

33-0483

1. The student evaluations of the last three runnings of the Senior Officer Development Course are attached per your request. We are also forwarding the Course reports for the three runnings.

2. I hope it is clear that our recommendation to cancel the current running scheduled for 13 March results only from the mix of participants. The 15 people nominated are from predominately technical backgrounds. Since the Course depends as much on student interaction as it does on the material being presented, it requires, we believe, a representative sampling of Agency officers.

3. Should the Course be cancelled, we propose to use the downtime to rebuild the Program. I would be pleased to discuss our rebuilding plan at any time.
